

Career Fair

The Career Fair will be held May 15 from 9 a.m. to 12:30 p.m. It will be in Room 214. Next week you will get a list of the employers who are coming. Each employer represents a different career. Therefore, there will be a variety of careers for you to explore.

You are urged to speak to as many of the employers as possible. Be sure to take notes about the education needed for each career. Also, ask them what they like and dislike about

the career they represent. You will need to get the signature of each employer on the notes you take. Give the notes and signatures to your instructor.

Remember to act appropriately during the Career Fair. Use good grammar and speak clearly without using slang to make a favorable first impression. You should have an up-to-date resume to show the employers. This will quickly tell them your interests and the subjects you are taking.
