

Chapter 9 Supplemental Activity

Research Citing References in an MLA Report

Complete Lesson 69 before you complete this activity.

1. Access the Web site for Frequently Asked Questions about the *MLA Handbook* at http://www.mla.org/handbook_faq. If this link is no longer correct, enter **Modern Language Association** in a search engine to find the site.
2. Find answers to these questions or questions your instructor assigns. Print the answers you find to use as a reference when you write a research paper.
 - How do I document sources from the Web in the works-cited list for my research paper?
 - Why does MLA recommend putting angle brackets around URLs in the works-cited list?
 - When I borrow repeatedly from the same source, how should my parenthetical citations appear?
