FLSA OVERTIME FOR NONEXEMPT EMPLOYEES

Federal law requires nonexempt employees to be compensated at a rate not less than one and a half times the regular rate of pay or be granted one and a half hours of compensatory time for hours worked in excess of 40 hours within a workweek.

STATE OVERTIME FOR NONEXEMPT EMPLOYEES

When an employee has not worked more than 40 hours in a workweek but the total hours worked and hours of paid leave or paid holidays exceed 40 hours, the employee will be allowed one hour of compensatory time off for every hour in excess of 40 in a workweek. Likewise, when the employee has worked more than 40 hours in a workweek and the total of hours worked and hours of paid leave or paid holiday exceeds 40 hours after subtracting FLSA overtime hours worked (which must be compensated as described above), the employee will be allowed equivalent compensatory time off for the excess hours.
