

Mr. Computer

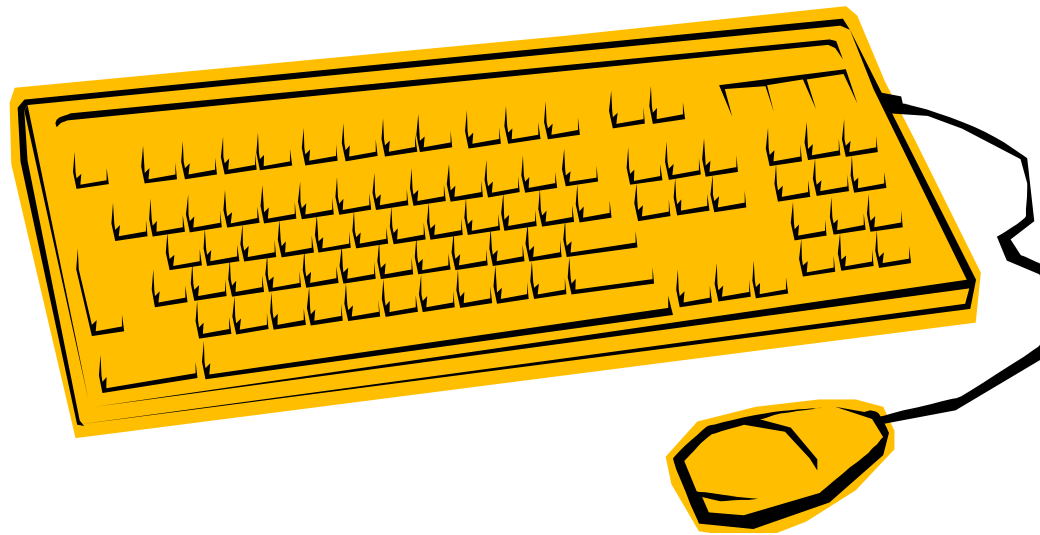

Basic Parts of a Computer

I am a **MONITOR.**

A **monitor** is the TV-set-like screen that displays video.

I am a **KEYBOARD.**

A **keyboard** is used to type your information.

I am a **COMPUTER (CPU)**.

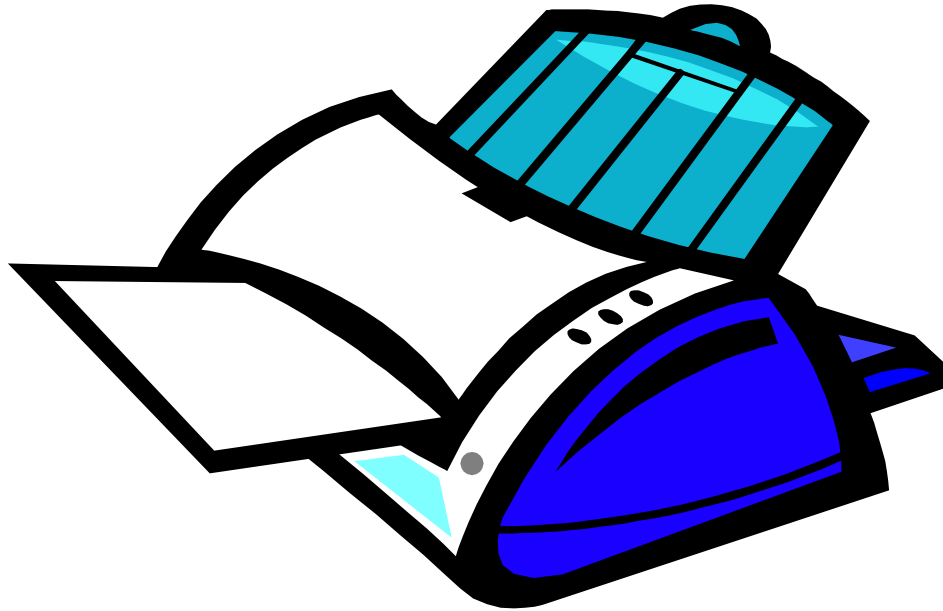

A **computer** or **central processing unit** stores, recalls, and processes data.

I am a **MOUSE.**

A **mouse** moves the cursor on your screen.

I am a **PRINTER.**

A **printer** gives an image on paper.

Now Do You Know Mr. Computer?

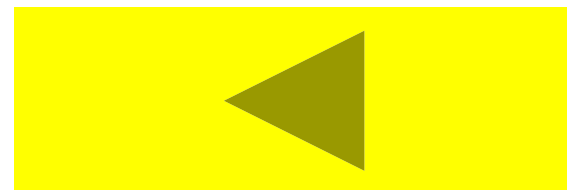

Who am I?

CPU

Monitor

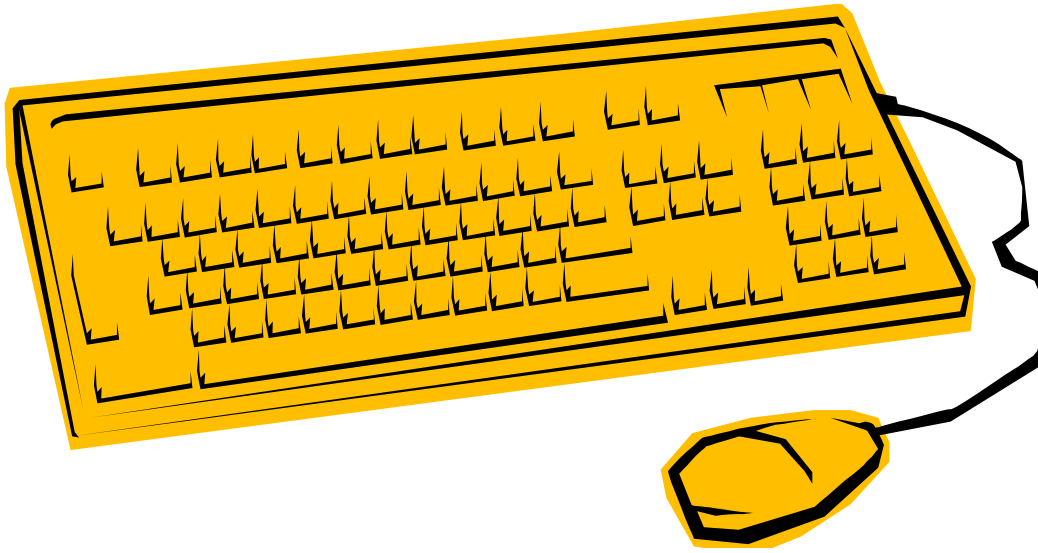

No, try again ...

You are SOOOO clever!
